We've been given a great success at 05 Buckhead. We're celebrating by making October a "give back" month. The cause we've chosen to support is **For The Love Of Africa**. Its goal is wonderfully simple and terribly important: selling enough hand-decorated t-shirts to build a fresh-water well for the residents of Nouna in Burkina Faso, Africa. Why should you help? **Because the best part of living well is helping others live better.**

Buy a t-shirt and help change a village.

Local Teens, Global Impact

Four high school sophomores, inspired by the water crisis in Africa and the national non-profit Dry Tears, are creating fanciful, fashionable t-shirts to raise the \$4,500 needed to build a well for the villagers of Nouna.

*The tees sell for \$20 each (\$15 goes to the well fund). To purchase your **For The Love Of Africa** t-shirt, drop by the lobby of 05 Buckhead.*
